CIS Dance Fest 2011/2012 - Mark Your Calendars!

Sunday May 6, 2012

Everybody dance now! This year, the 4th annual **CIS Dance Fest** will be hosted by Havergal College on Sunday, May 6. As you may know, the ever-popular event is a showcase of dances performed by CIS students in grades 6 to 12. Students are welcome to perform as solo's, duo's or in any size group and need no previous dance experience. Last year over 200 dancers took to the stage with student- and teacher-choreographed pieces ranging in styles from Breakdance to Bollywood! Participants received feedback certificates from professional judges, pizza lunch, prizes and CIS Dance Fest t-shirts!

If you would like a mentor to assist your students in choreographing a performance please contact Artistic Director, Niky Johnson (cisdancefest@gmail.com) and she will arrange for one to come to your school. Registration details will be emailed closer to the date.
